

For more than 150 years, under different names, Grace Dart has been providing, in a warm environment, long-term and respite quality care services to residents from principally the Montreal English-speaking community.

Following the enactment of Law 10, a major reform of our health care network with laudable objectives, the Board of Directors of our Centre has ceased to exist. Henceforth the Board of Directors of the Montreal West Island Integrated University Health and Social Services Centre (CIUSSS-ODIM) administers our two facilities: Grace Dart Pavilion (101 residents) and our Extended Care Centre (256 residents).

It behooves me to express our gratitude to our former Executive Director and her staff, our professionals, employees and volunteers; they left behind a strong legacy of excellence. Indeed, last September, Accreditation Canada awarded Grace Dart an impressive rate of compliance of 99.58%.

We are satisfied that the new administration shares our pride and are confident it will pursue the work of Grace Dart in its entirety preserving its mission and its linguistic and cultural characteristics. Whatever be changes brought about by this major reform; the historic work of Grace Dart must be pursued. To this end, CIUSSS-ODIM may rely on the support of the Grace Dart Foundation and the Board of Governors.

While all efforts and resources are concentrated on implementing this major reform, it is imperative not to forget our residents. They and their families need to be reassured. Excellence of care in a warm environment must remain our top priority. Fortunately, we may count on the dedication of our professionals, managers, staff and volunteers.

We want to thank our former colleagues of the Board of Directors for their constant support and loyalty over the last 16 years. Even if we are no longer on the Board, somehow we will remain on board.

Alphonse Giard, Q.C.

Chairman of the Board of Directors (1999-2015)
Grace Dart Extended Care Centre

Marie-France Bodet

Executive Director (2010-2015)
Grace Dart Extended Care Centre

Benoit Morin

President and CEO
Montréal West Island Integrated University Health and Social Services Centre
